Compiled by

Sanjay Molur

**South Asian Reptile Network
Zoo Outreach Organisation
PB 1683, 29/1 Bharathi Colony
Peelamedu, Coimbatore
Tamil Nadu, India**

**Funded by
Fauna and Flora International
and
Columbus Zoo**

**Assisted by
South Asian Reptile and Amphibian Specialist Group
Conservation Breeding Specialist Group, India
Zoo Outreach Organisation**

For a long time, it was felt that though there were quite a few reptile researchers in India, there was no coordination, cooperation, exchange of information between them. Often only a core group of "well-known" reptile researchers were in communication. The rest of the biologists did their own research in isolation. This, of course, did lead to duplication of work, non-standard methodologies, ambiguity in knowledge, non-accessibility to exotic references, etc.

The effects of this situation were obvious at the Conservation Assessment and Management Plan workshop (CAMP) for Reptiles in May 1997. At the workshop, albeit the exercise led to the assessment of close to 500 taxa of Indian reptiles, a sense of unease was felt by the participants. Many isolated studies on reptiles could not be compared for want of comparable field methodologies, the veracity of the information provided was questioned of an unknown or nervous researcher and the ubiquitous feeling of "if we had all known each other better, we could have come up with more information" were reasons for the group recommending that a network of reptile researchers be formed immediately.

The Network was formed with the kind assistance of Fauna and Flora International and Columbus Zoo, who each provided the initial funding. The 100% Grant of FFI and the Conservation Fund of Columbus Zoo are highly appreciated for making the network a possibility and the various tasks conducted within.

The South Asian Reptile and Amphibian Specialist Group, SSC/IUCN is acknowledged for the support provided in establishing the network; Indraneil Das, the Chair, for his encouragement. The infrastructure and facilities provided by Zoo Outreach Organisation, Conservation Breeding Specialist Group, India and the administrative support of the staff of the parent organisation has helped the network perform efficiently. In this regard, I thank the following from ZOO – Latha Ravikumar, Sheela Joseph, Jyothi Maler, S. Sudha and Binu Priya Arthur Raj, without whose help the network or this directory would not have been possible. Most importantly, the motivation and encouragement of Sally Walker has been an essential point in all the networking efforts of the organisation. Thanks again to all of them.

Finally, the members of the network, who have spared their time and supported us in our bad period of last year, a very special thanks to them. I would request that they take part more actively and make the networking effort for conservation of the reptiles of the region a success.

Please write to me your comments, corrections and criticism for improvement of this Directory. In addition, a special request for those whose information is incomplete or non-existent, please send in your complete information soon to be included in the next iteration of the Directory.

Information on some researchers

(as of December 2000)

This section contains information on some reptile researchers -- those who returned the questionnaires.

Dr. Harry Vasanth Andrews

Date of Birth: 2-12-1956 **Sex:** Male **Occupation:** Dy. Director, Madras Crocodile Bank

Correspondence: Centre for Herpetology, Madras Crocodile Bank
Post Box 4 Mammallapuram, Tamil Nadu 603 104, INDIA
Phone: 04114 46332 Fax: 04114 42511
Email: sthiru@giasmd01.vsnl.net.in.

Research Interest: Field and captive studies and surveys

Ph.D. in reptile studies: No

Guiding/guided students in reptile studies:

Social behaviour of *Gavialis gangeticus* in captivity - 1986 - Paul White- St. Olaf's University, USA.

Studies on the basking behaviour of gharial (*Gavialis gangeticus*) at Madras Crocodile Bank Trust - 1988 - R. Kumar - AVC College, Mayiladuthurai.

Thermoregulatory and social behaviour in mugger crocodile (*Crocodylus palustris*) in captivity - 1991 - Karen Tibbo- Bedford New College, United Kingdom.

Reproductive biology and conservation of freshwater turtles in Madhya Pradesh and Uttar Pradesh - 1992- Karthikeyan Vasudevan - Madurai Kamaraj University.

Resource partitioning of the water monitor lizard (*Varanus salvator*) in captivity - 1992-1993 - Jayashree Ratnam - Centre for Herpetology, Madras Crocodile Bank.

Wildlife Conservation and sustainable development, crocodile farming as a welfare resource - 1995 - Manish Chandi- Madras Christian College, Chennai.

Studies on the nesting of leatherback sea turtles (*Dermochelys coriacea*) in the Andaman Islands - 1996 - Arjun Sivasundar - Salim Ali School of Ecology, Pondicherry University.

Studies on the terrestrial behaviour of the yellow-lipped sea krait (*Laticauda colubrina*) in the Andaman Islands- 1996 - Sohan Shetty, Salim Ali School of Ecology, Pondicherry University.

Status and population dynamics of the mugger crocodile (*Crocodylus palustris*) in Tamil Nadu - 1999 - Ravi Kailas, New College, Chennai.

Thermoregulation and behaviour of the Travancore tortoise (*Indotestudo forstenii*) in captivity - 1999 - Stella Maris College, Chennai.

Species/group of special Interest: Crocodiles, Monitor lizards and Sea turtles

Projects:

Major Research Projects Implemented, Collaborated and Directed under the Centre for Herpetology, Madras Crocodile Bank Trust Research Programme.

Crocodile research at the Madras Crocodile Bank

Collaborated with U.S. scientists on a ten year project funded by the Smithsonian Institution.

National Geographic Society and National Science Foundation on the "*Reproductive biology of the mugger crocodile*" and "*Reptile reproduction, sex determination, egg incubation: studies of crocodylians, turtles and lizards at the Madras Crocodile Bank Trust*".

Field research

Established a field station for state-wide crocodile studies and surveys in the Nilgiris District of Tamil Nadu.

Designed, directed and conducted a three year survey and study on the conservation and biology of mugger crocodiles in natural and altered habitats.

Freshwater turtles and tortoise - captive breeding and field research

Captive breeding, egg incubation studies of freshwater turtles and tortoises.

Directed and collaborated on a two-year study on the reproductive biology and conservation of freshwater turtles in Madhya Pradesh and Uttar Pradesh, including egg incubation studies.

Lizards - captive breeding and research

Since 1987, I have conducted studies on the breeding biology, growth and reproductive effort of water monitor lizards.

Other projects involved in and affiliated to the centre for Herpetology, Madras Crocodile Bank Trust

Irula Snake Catcher's Cooperative Society (a tribal self-help Society involved in snake, rat-catching and venom extraction)

Job Profile [Position: Manager and Technical Advisor]

Managed and assisted in the setting up of the Cooperative in 1983.

Infrastructure design and development of snake display exhibit and venom extraction centre.

Training Irula tribals in laboratory use, venom processing, record keeping, data collection and snake releases.

Andaman and Nicobar Islands Environment Team, Centre for Island Ecology (ANET/CIE), division of the Centre for Herpetology, Madras Crocodile Bank Trust (an island-based conservation research and public education centre)

Formulating captive breeding proposals for the local zoo.

Conducting herpetological studies and population status surveys of endangered fauna and habitats in the islands.

Consultancies

International Union for the Conservation of Nature and Natural Resources (IUCN) Nepal Survey of crocodylians and wetlands of Nepal.

Research Reports

Andrews, H.V. and R. Arumugam, 1992. Conservation and biology of the mugger crocodile. Studies in natural and altered habitats and continued survey. Report to the Centre for Herpetology, Madras Crocodile Bank. 4 pg.

1993. Status of the mugger crocodile (*Crocodylus palustris*) in the Sathanur Reservoir, Tamil Nadu. Report to the Centre for Herpetology, Madras Crocodile Bank Trust. C-1/93. 9 pg + 1 map.

Andrews, H.V. and R. Whitaker, 1994. Preliminary observations on the Andaman teal (*Anas gibberifrons albogularis*) in North Andaman Islands and North of Middle Andaman. Report submitted to the Asian Wetland Bureau, and the Centre for Herpetology, Madras Crocodile Bank Trust. 2 pg.

Andrews, H.V. and R. Whitaker, 1994. Population dynamics and ecology of the saltwater crocodile (*Crocodylus porosus*) (Schneider) in the Andaman and Nicobar Islands. Interim survey report. Phase I. Submitted to the Andaman and Nicobar Forest Department, Asian Wetland Bureau and the Centre for Herpetology, Madras Crocodile Bank Trust. (AN/C-1-94). 33 pg.

Andrews, H.V. and R. Whitaker, 1994. Population dynamics and ecology of the saltwater crocodile (*Crocodylus porosus*) (Schneider) in the Andaman and Nicobar Islands. Interim survey report. Phase II. Submitted to the Andaman and Nicobar Forest Department, Asian Wetland Bureau and the Centre for Herpetology, Madras Crocodile Bank Trust. (AN/C-2-94). 18 pg.

1997. Biodiversity conservation for protected areas management planning project in the Andaman Islands. Report submitted to the Darwin Initiative/Fauna and Flora International and Andaman and Nicobar Islands Environmental Team (July to September, 1997) 3 pg.

1997. Biodiversity conservation for protected areas management planning project in the Andaman Islands. Report submitted to the Darwin Initiative/Fauna and Flora International and Andaman and Nicobar Islands Environmental Team (September to December, 1997) 3 pg.

1998. Biodiversity conservation for protected areas management planning project in the Andaman Islands. Report submitted to the Darwin Initiative/Fauna and Flora International and Andaman and Nicobar Islands Environmental Team (January to March, 1998) 3 pg.

1998. Biodiversity conservation for protected areas management planning project in the Andaman Islands. Report submitted to the Darwin Initiative/Fauna and Flora International and Andaman and Nicobar Islands Environmental Team (April to June, 1998) 3 pg.

1998. Biodiversity conservation for protected areas management planning project in the Andaman Islands. Report submitted to the Darwin Initiative/Fauna and Flora International and Andaman and Nicobar Islands Environmental Team (July to September, 1998) 3 pg.

1998. Mount Harriet National Park, South Andaman Island, India - A Status Report (in prepn.)

1998. Survey and Assessment of wetlands in the Rani Jhansi Marine National Park, Andaman Islands, India (in prepn.)

Mr. Vijay Ujwal Awasere

Date of Birth: 11-03-1967 **Sex:** Male **Occupation:**

Correspondence: Room No. 3, Savitri Bhuvan, Darakhi Baug, Tank Road, Bhandup (W)
Mumbai, Maharashtra 400 078, INDIA
Phone: Off: 5676231

Research Interest: Ecology, Herpetology, Animal behaviour, Biodiversity conservation, conservation education.

Ph.D. in reptile studies: No

Guiding/guided students in reptile studies: Gitanjali Tiwari , 1993, Wildlife Institute of India, Dehra Dun. Sub: Ecology of reptiles in Sanjay Gandhi National Park, Borivili.

Species/group of special Interest: Cat snake (*Boiga sps*)

Projects:

Study of maintenance of snakes in captivity for the proposed snake park in Sanjay Gandhi National Park, Borivili , Mumbai, Irula snake catchers society- Chennai, 20-31st March 1993.

Study of ecology of reptiles in Sanjay Gandhi National Park, Borivili, March 1993.

Study in Sanjay Gandhi National Park, Borivili on:

Boiga forsteni, June '94; *Cryptodactylus coilgalensis*, Dec '94; Caecilian (first record) [*Ichthyophis peninsularis*], May '95; *Boiga ceylonensis*, Dec '95; *Boiga dightoni*, May '99.

Captive populations of reptiles maintained:

Cobra - 9; Russel's viper - 5; Rat snakes - 3; Cat snakes – 2.

Publications:

Various articles on conservation of snakes in local and regional news papers.

Snakes of Sanjay Gandhi National Park – a field guide (manuscript ready. It could not be published due to lack of finance)

Snakes of Sanjay Gandhi National Park – a checklist.

Mr. Ketankumar P. Bhalodia

Date of Birth: 2-12-1956 **Sex:** Male **Occupation:**

Correspondence: P.O. Morzar, Ta-bhanvad, Dist. Jamnagar, Gujarat 360 510, INDIA
Phone: Off: 0281 78504

Research Interest: Ecology, Biodiversity, Taxonomy, Population studies and conservation

Ph.D. in reptile studies: M. Phil in herpetofaunal studies: 1999. Biodiversity of Rampara Wildlife Sanctuary with special emphasis on herpetofauna. Guide: Prof V.C. Soni.

Species/group of special interest: Lizards and snakes

Projects:

1997 – '98. Ecological study of phytoplankton, zooplankton, invertebrate, amphibian and reptilian biodiversity of the Wild Ass Sanctuary GEER Foundation Gandhinagar- Funding . 1. 12. '97 to 30. 07. '98.

1998. Herpetofaunal diversity in the Rampara Wildlife Sanctuary, Rajkot district, Gujarat state. (short term research study) GEER foundation, Gandhinagar- Funding. 01.08. '98 to 31. 10. '98.

1999 – 2000. Study on Biodiversity of Badra Wildlife Sanctuary (project in progress) GEER (Gujarat Ecology Education and Research) Foundation- Funding. 15.07. '99 till date.

Captive populations of reptiles maintained: No

Publications:

Soni, V.C., Bhalodia, K.P., Dave, S.M. and Bhuvra, V.J. 1998. Herpetofauna of the Wild Ass Sandtuary (Gujarat) and its conservation. (communicated) *Hamadryad*.

Soni, V.C., Bhalodia, K.P. and Dave, S.M. 1999. Record length of the Trinket snake, *Elaphe helena* captured from Rajkot city, Gujarat, India. (communicated) *B.N.H.S.*

Mr. Bharat Bhushan Bhatt

Date of Birth: 28-01-63

Sex: Male

Occupation: Research Assistant

Correspondence: State Forest Research Institute, Van Vihar, P.O. 159
Itanagar, Arunachal Pradesh 791 111, INDIA
Phone: 0361 203517 Fax: 0361 203566

Research Interest: Basically a wildlife biologist; conducted exploration works in the state [Arunachal Pradesh] on faunal resources at Namdabha National Park for 8 years. Captive breeding programme of white winged wood duck, animal census etc., and related wildlife studies in the state.

Ph.D. in reptile studies: Working for Ph.D. " Taxonomic studies on the occurrence, distribution and ecology of the Ophidian fauna in Arunachal Pradesh". Started work in 1998 and is scheduled to be completed by 2002 at Guwahati university. Guide – Dr. (Mrs.) Sabitri Bordolai Choudhury

Guiding/guided students in reptile studies: Not as such; But often used to be resource person for wildlife subject matters in the department and at university, Institutes of the state. Would provide a helping hand to researchers from other states mainly from Guwahati university, North Eastern Hill University, Shillong and other scientists from ZSI etc. who come mainly to collect or carry out survey.

Species/group of special Interest: Presently interested in the Ophidian fauna of state and reptiles on the whole; Carrying out field study and till date some 60 odd species of Ophidia are recorded with possibility of 2 new records for the state.

Projects:

Project proposal submitted to the Ministry of Environment and Forests, New Delhi entitled – "Occurance, distribution, taxonomy and ecology of Ophidians in the state of Arunachal Pradesh" for funding. Project to start as soon as the grant is received.

Captive populations of reptiles maintained: Not as yet; but soon in future as I have been asked to open a serpentarium in the state zoo at Itanagar. So, working on this project from the department side under state government.

Publications:

Feb 1998. On the occurrence of a rare snake in Arunachal Pradesh; Research notes III.

Indian forester. Vol 124.No.2. pp169 – 171.

1997. Some snakes of Itanagar area of Papumpare district, Arunachal Pradesh. Arunachal forest news. Vol 15. No. 182.pp 12 – 14.

Mr. Ashok Captain

Date of Birth: 04-09-1960

Sex: Male

Occupation: Outdoor educational instructor and wildlife photographer

Correspondence: C/o L.S. Captain, 3/1 Boat Club Road Pune,
Maharashtra 411 001, INDIA
Phone: 0212 629011 Email: ascaptain@hotmail.com

Research Interest: Field Taxonomy of live snakes [also dead snakes]; Photodocumenting live snakes.

Ph.D. in reptile studies: No

Guiding/guided students in reptile studies: Informally teaches interested people how to count scale, key out snakes.

Species/group of special Interest: All Indian snake taxon.

Projects:

Cataloging and surveying snakes of Arunachal Pradesh and Western Ghats (around Pune)- Changlang district, Papumpare district and Arunachal Pradesh. 1996

Captive populations of reptiles maintained: No

Publications:

1998. *Sinonatrix*, a new Genus for India. *Hamdryad*, Vol.22, No.2. pp.114-115.

Recent records of snakes from Arunachal Pradesh, North-East India. Herpeton/Notes on identification of *Lycodon flavomaculatus*-in press *JBNHS*

Aberrant banded racers *Argyrogena fasciolatus* *JBNHS* vol. 96 (1) pp 147-151 + 2 plates.

Mr. Rajeev Chauhan

Date of Birth: 01-07-1971 **Sex:** Male **Occupation:**

Correspondence: 576, Karamganj, Punjabi Colony, Etawah
Uttar Pradesh 206 001, INDIA
Phone: 0568 803552

Research Interest: Ecology, conservation, biodiversity, population studies, pollution.

Ph.D. in reptile studies: Yes, registered for Ph.D.

"Limnological study of Panchnada, with special reference to Chelonian population." Synopsis approved in Jan. 1997. C.S.J.M. University, Kanpur, UP. Guide: Dr. S. Narain, Reader in Zoology, Janta College, Bakawar (Etawah) UP – 206 124.

Species/group of special Interest: All fresh water turtles present in the area. *Kachuga kachuga*, *K. dhongoka*, *K. tecta*, *K. tectoria*, *Harslella thurgii*, *Chitra indica*, *Lissemys punctata*, *Aspiderter gangeticus*, *A. hurum* etc.

Captive populations of reptiles maintained: Yes, *Lissemys punctata*, *Kachuga kachuga*.

Publications:

Study of some fresh water turtles of Panchnada. 1996. *J. Nat. Cons.* 8(2): 121-133.

Papers presented in seminars/symposiums:

Tracking the terrestrial activities of some fresh water reptiles in Panchnada area Etawah (U.P.). NSOMR. Bakewar, 6-8 Feb. 1998.

Turtle exploitation in river Yamuna at Panchnada. (Dist: Etawah, U.P.) 86th Indian science congress, Chennai.

Mr. Kamal Das

Date of Birth: 09-04-1970 **Sex:** Male **Occupation:**

Correspondence: Natun Para, College Road, P.O. Natun Para
Dist. Bongaigaon, Assam 783 380, INDIA

Research Interest: Conservation, Population studies, Education and biodiversity.

Ph.D. in reptile studies: No

Species/group of special Interest: Turtles: *Chitra indica*, *Cuora amboinensis*, spotted pond turtle (*Geoclemys hamiltonii*), *Kachuga sylhetensis*.

Captive populations of reptiles maintained: No

Mr. Dhirendra Devarshi

Date of Birth: 04-04-1963 **Sex:** Male **Occupation:**Lecturer, Senior scale

Correspondence: c/o Rajesh Sharma, 34 Yaduraj Nagar, Agra Road
Bharatpur, Rajasthan 321 001, INDIA
Phone: 05644 026622

Research Interest: Amphibians, Reptiles and Birds.

Ph.D. in reptile studies: No

Captive populations of reptiles maintained: No

Publications:

Popular articles in Hindi dailies and magazines: Radio talks AIR- Jaipur and Agra.

Any other information: Presently engaged in Ph.D work on Avian species of Rajasthan.

Dr. Govindaswami Ramaswamy

Date of Birth: 15-01-1952 **Sex:** Male **Occupation:**Reader in Zoology and Wildlife

Correspondence: H.No. 4, Saratha Colony, Tiruvilandur, South Street Mayiladuturai,
Tamil Nadu 609 001, INDIA
Phone: Res: 04364 25634; Off: 22264

Research Interest: Wildlife Conservation, Education, Toxicology, Endocrinology, Ethology

Ph.D. in reptile studies: No

Guiding/guided students in reptile studies: 1990. M.Phil studies on the accumulation and biochemical effects of endosulfan on the blood glucose level and on the pancreas and adrenal of the garden lizard *Calotes versicolor*, Bharathidasan University.

April 1996. M.Sc. Studies on the venom of cobra, krait and the Russell's viper, AVC College

Species/group of special Interest: Lizards and snakes

Projects:

1996 in Mannampandal

1997 in Point calimere

1984 in Mundanthurai

Captive populations of reptiles maintained: No

Mr. Gadhvi Indra Ramjibhai

Date of Birth: 22-02-1969 **Sex:** Male **Occupation:**Lecturer in Zoology

Correspondence: Plot No. 2200, Ankur Society, Hill Drive, Bhavnagar 364 002
Gujarat INDIA
Phone: 0278 562867

Research Interest: Snakes

Ph.D. in reptile studies: No

Species/group of special Interest: Snakes

Captive populations of reptiles maintained: For some time to observe the behaviour of snakes and tortoises

Any other information:

I am a lecturer in zoology, doing my Ph.D in birds, Hon. Wildlife warden of Bhavnagar district in Gujarat state. After submission of my Ph.D theses I want to do some post doctorate studies on snakes as I am very interested in them.

Mr. Dayal Prasad Gupta

Date of Birth: 13-07-1961 **Sex:** Male **Occupation:**

Correspondence: Dayalbagh Educational Institute, Dept. of Zoology, Faculty of Science, Dayalbagh Agra, Uttar Pradesh 282 005, INDIA
Phone: 0562 350059 Fax: 0562 351845

Research Interest: Ecology, Conservation and Genetics of lizards, Animal behaviour

Ph.D. in reptile studies: Have submitted thesis on "Ecobehaviour and genetic studies of endangered monitor lizard, *Varanus bengalensis*

Species/group of special Interest: *Varanus bengalensis* and other Lizards of semi-arid habitat

Captive populations of reptiles maintained: Varanus- 2

Publications: 3 Papers. Ready for communication

Mr. Daya Nand Harit

Date of Birth: 22-12-1963 **Sex:** Male **Occupation:**Lecturer

Correspondence: Government Champhai College, AIZA WL East, Champhai
Mizoram 796 321, INDIA

Research Interest: Herpetology, Entomology, Ecology, Helminthology, Biodiversity, Animal behaviour, Animal welfare, Education, Conservation, Wildlife and related areas.

Ph.D. in reptile studies: No

Projects: Survey of amphibian and reptilian fauna of Mizoram - proposed

Captive populations of reptiles maintained: No

Publications:

Harit, D.N. & D.K. Harit, 1996. Indigenous method of translocation of the tucktoo *Gecko gecko* Linn. as practised in Mizoram, India. *J. Bombay Nat. Hist. Soc.* 93(2): 302.

Harit, D.N., 1997. An observation on ecdysis in the common house lizard *Hemidactylus flaviviridis* Rupell of India., *J. Bombay Nat. Hist. Soc.* 94(1): 164-165.

Honorary assignment : Animal welfare education officer, Animal welfare board of India. (Ministry of social justice and Empowerment, Government of India) – dealing with Humane education and welfare of animals of both wild and domestic etc.,

Mr. Subramanian Janakiraman

Date of Birth: 27-07-1974 **Sex:** Male **Occupation:**

Correspondence: 2, 4th Street, TNGO Colony, Nanganallur
Chennai 600 061, TN INDIA
Phone: 044 2320721

Research Interest: Snakes

Ph.D. in reptile studies: No

Species/group of special Interest: Terrestrial snakes found near paddy fields, lakes , ponds etc.,

Projects:

Conservation of nesting Ridley turtles in Madras coast. Atchery management. 1988-97

Captive populations of reptiles maintained: No

Any other information:

A commitment for conservation of reptiles

Dr. Sudhakar Kar

Date of Birth: 17-05-1950 **Sex:** Male **Occupation:**

Correspondence: Wildlife Wing, Forest Department
O/o Chief Wildlife Warden, 7 Shaheed Nagar
Bhubaneswar, Orissa 751 007, INDIA
Phone: 0674 513134 Fax: 0674 512502

Research Interest: Studies on ecology and biology of Salt water crocodiles, *Crocodylus porosus*.

Studies on nesting biology of water monitor lizard, *Varanus salvator*.

Studies on reptilian fauna of Orissa. Studies on biodiversity and conservation, animal behaviour in aquatic ecosystem.

Ph.D. in reptile studies: Yes, Studies on salt water crocodile, *Crocodylus porosus* Schneider in Orissa. 1981, Utkal University, Orissa. Guide – Prof. B. K. Behura and Dr. H. R. Bustard.

Guiding/guided students in reptile studies: As far as reptilian work is concerned, I have guided graduate, post graduate and M. Phil students for preparation project works and dissertation etc.,

Species/group of special Interest: Ecology and biology of *Crocodylus porosus* and reptilian fauna in mangrove ecosystem.

Projects:

Studies on Man – Crocodile conflict in Bhitarkanika Mangrove ecosystem of Orissa, India. Bhitarkanika wildlife sanctuary and Bhitarkanika National Park and its peripheral areas [rivers and creek systems]. – Two years of study 2000 – 2001.

Captive populations of reptiles maintained: Yes, Crocodiles [*C. porosus*] and saltwater crocodile, Research and conservation centre, Dangmal Bhitarkanika. *Varanus salvator* at Bhitarkanika.

Any other information:

List of scientific papers published on crocodiles, lizards, seaturtles and other reptilian species will be submitted separately.

Mr. Anil Sakharam Khaire

Date of Birth: 01-06-1958 **Sex:** Male **Occupation:**

Presentations:

- Presented paper at the International conference on the biology and conservation of the South Asian Amphibians and Reptiles, 1-5 August 1996, Sri Lanka.
Title: The herpetological assemblage at Palkonda hill range, Eastern Ghats.
Presented at the Internal Annual Research Seminar in the Wildlife Institute of India. Dehra Dun (September 1996) on Standardization of methods to sample reptiles in the rain forest of Western Ghats.
Presented at the Annual Research Seminar in the Wildlife Institute of India, Dehra Dun (September 1997) on Distribution and abundance of reptiles in the rain forests of Kalakad-Mundanthurai Tiger Reserve.
Presented at the National Research Seminar in the Wildlife Institute of India, Dehra Dun (September 1997) on Distribution of arboreal reptiles in the rain forests of Kalakad-Mundanthurai Tiger Reserve, Southern Western Ghats.

Any other information:

Worked as a Research Assistant at the Center for Herpetology, Madras Crocodile Bank Trust from September 1992 to March 1994 on the following research assignments:

- Title: Status survey and Conservation of the Herpetofauna of Wetlands of the Eastern Ghats.
Funded by: The Asian Wetland Bureau, Malaysia.
Principal Investigator: Dr. Ranjit Daniels.
Project Period: September 1992 to September 1993.

The study area falls within the political limits of the state of Tamil Nadu with Satyamangalam and Madras as the western and the eastern limits respectively. In all, fifty-one species were recorded. Range extensions of three species of herpetiles were reported and the ecology of a few of these was studied in detail.

Title: A preliminary study of Herpetofauna along the Moyar river, Nilgiris.
Funded by: Smithsonian Institution, U.S.A. and the Asian Wetland Bureau, Malaysia.
Principal Investigator: Dr. Ranjit Daniels.
Project Period: May 1993.

This study provided baseline data for preparation of project proposals for the Conservation of Biodiversity of herpetofauna in the area. The study site forms the only connection between the Western Ghats and the Eastern Ghats. The study was aimed at making a species inventory of the herpetofauna of the area. In all, twenty-eight species of amphibians and reptiles were recorded.

Title: The herpetofauna of the Sri Venkateswara Sanctuary, Andhra Pradesh, India.
Funded by: Asian Wetland Bureau, Malaysia.
Guided by: Mr. Rom Whitaker and Dr. Inderneil Das.
Project Period: November 1993 to February 1994.

This survey was the first systematic study of the amphibians and reptiles in the Sanctuary. The main objective of the study was to prepare an inventory of the herpetofauna in the area. In all twenty-eight species of amphibians and reptiles were recorded. A large number of these new records for the site located in the Eastern Ghats.

Joined the Center for Ecological Sciences, Indian Institute of Science, Bangalore in June 1994 as a Project Assistant and worked on the following project.

Title: Habit utilization and Diversity of Herpetofauna in Nilgiri Biosphere Reserve, Western Ghats, India.

Funded by: MacArthur Foundation, U.S.A.
Principal Investigator: Dr. R. Sukumar.
Project Period: June 1994 to February 1996.

The study was carried out in Mudumalai Wildlife Sanctuary, Nilgiri Biosphere Reserve (N.B.R.) of the Western Ghats. The study yielded information on the diversity and habitat utilization of herpetofauna at various habitat types starting from the dry forests, dry deciduous and the moist deciduous forests and the present status of some of the rare and endemic herpetiles. A protocol for sampling herpetofauna in the dry forests and dry deciduous forests of the Western Ghats was also developed. This study was part of the grant from the MacArthur Foundation, U.S.A. to study the Diversity of Vertebrate fauna in the Nilgiri Biosphere Reserve.

Present Work:

From March 1996 onwards working towards a doctoral degree at the Wildlife Institute of India, Dehra Dun on the project Impact of fragmentation on the biological diversity of the rain forest small mammals and herpetofauna of the Western Ghats Mountains, South India. This is funded by the United States Fish and Wildlife Service. The study areas are the Kalakad-Mundanthurai Tiger Reserve (the contiguous forest site) and Anamalais (forest fragments). This is the first time that a research project is being undertaken to study the impact of rain forest fragmentation on various taxa in India. I am working on the reptilian component in the project and my study aims to understand the process of rain forest fragmentation and its impact on the rich and endemic reptilian fauna. The study would also look at the factors that affect the distribution, species assemblage and the ecology of these rare and endemic reptiles at the middle elevation wet evergreen forests. A model would be developed at the end of the study that would help in predicting the nature of impact, rain forest fragmentation has on the reptilian communities. Sampling protocol for rain forest reptiles would be developed. Conservation measures to maintain rain forests and their reptiles would also be suggested. The project would extend upto September 2000.

Mr. Nameer P. Ommer

Date of Birth: 20-03-1968 **Sex:** Male **Occupation:** Asst. Professor

Any other information:

I have diversified my work to PA management/ wildlife techniques, particularly Large Cat census techniques through tracking of pugmarks. Received WWF Tiger Conservation Award for Exemplary/innovative contribution to tiger conservation in March 1999.

Dr. Yadunath Prasad Sinha

Date of Birth: 05-06-1944 **Sex:** Male **Occupation:** Scientist

Correspondence: Zoological Survey of India, Gangetic Plains Regional Station, Handloom Bhawan, 4th Floor, Paliputra Path, Rajendra Nagar Patna Bihar 800 016, INDIA
Phone: Res: 0612 350 332; Off: 670686

Research Interest: Ecology and Taxonomy of Tetrapodes (Mammal, Birds, Reptiles and Amphibians of Bihar)

Ph.D. in reptile studies: No

Guiding/guided students in reptile studies: No

Species/group of special Interest: Lizards of Bihar

Projects:

April 1999. Reptiles of Bihar on Taxonomy and field ecology in Bihar.

Captive populations of reptiles maintained: No

Publications:

Sinha, Y.P., 1998. Studies on Tetrapods of Bhimbandh Sanctuary, Bihar. Cheetal, 37 (1-2): 7-12

Sinha, Y.P. (in press). Studies on Tetrapods of Rajgir Sanctuary, Bihar. Cheetal.

Ecology and Taxonomy of Tetrapods of Bihar

Dr. Vinod C. Soni

Date of Birth: 05-04-1946

Sex: Male

Occupation:

Correspondence: Saurashtra University
Department of Biosciences
Rajkot 360 005
GJ INDIA
Phone: Res: 0281 574381; Off: 78504

Research Interest: Ecology, conservation, taxonomy, biodiversity, wildlife, ornithology, herpetology, animal behaviour, corals and salt works.

Ph.D. in reptile studies: No

Guiding/guided students in reptile studies: Vijaykumar, V. 1993. Studies on the mugger crocodile in Andhra Pradesh. Ph.D. Saurashtra University, Rajkot.:

Chowdhary, B.C. (Registered for Ph.D.) Ecological and behavioral studies of the Indian mugger crocodile and its conservation management in India.

Ganesan, K.V. 1986. Study on taxonomy and some ecological and behavioral aspects of the lizard fauna of Rajkot. M.Sc. Dissertation, Saurashtra university, Rajkot.

Projects:

Dec. '97 to June '98. Ecological studies on herpetofauna – Little Rann of Kachchh [Wild Ass Sanctuary, Gujarat].

July '98 to March '99. Ecological studies on herpetofauna. Rampara Wildlife Sanctuary, Gujarat.

July '99 to May 2000. Ecological studies on herpetofauna. Baroda, Rampara Wildlife Sanctuary, Gujarat.

Captive populations of reptiles maintained: No

Publications:

Sholy, J., Joshi, B.D. and V.C. Soni.1991. Studies on morphometry, cephalic plates and body scales of *Ophisops microlepis*. *J. Anim. Morphol. Physiol.* 38 (182): 191 – 198.

Sholy, J., Joshi, B.D. and V.C. Soni.1992. Anatomy of the heart of *Ophisops microlepis*. *J. Anim. Morphol. Physiol.* 39 (182): 161 – 164.

Vijaykumar, V., Chowdhary, B.C. and V.C. Soni. 1995. Dietary habits of mugger (*Crocodylus palustris*) in Andhra Pradesh, South India. *Hamadryad*.20: 8 – 12.

Soni, V.C., Bhalodiya, K.P., Dave, S.M. and Bhuvu, V.J. 1998. Herpetofauna of Wild Ass Sanctuary and its conservation. Poster presentation in Annual Research seminar, Wildlife Institute of India, Dehra Dun, held on 10th to 13th Aug. 1998.

Soni, V.C., Bhalodiya, K.P., Dave, S.M. and Bhuvu, V.J. Herpetofauna of Wild Ass Sanctuary and its conservation. Communication with Hamadryad.

Mr. Sanjay Singha Thakur

Date of Birth: 12-07-1975

Sex: Male

Occupation:

Correspondence: 666/1, Bhoi-Ali, Raviwar Peth, Talegaon Dhabade
Pune, Maharashtra 410 506, INDIA
Phone: 02114 23669

Research Interest: Ecology, conservation, taxonomy, population studies, feeding behaviour, distribution, captive habits, education and animal.

Ph.D. in reptile studies: No

Guiding/guided students in reptile studies: No

Species/group of special Interest: *Eryx whitakeri*, *Uropeltidae*, *Liopeltis calamoria*, *Boiga forstenii*, *Psammophis lenthi*, *Coluber gracilis*, *Coronella brachyura*, Hydrophiidae.

Projects:

1993 – '97. Distribution and number of species of snakes in Maharashtra (excluding sea snakes). Maharashtra state.

1995 – '98. Snakes of Sahyadri. Sahyadri range [Maharashtra]

1996 – '98. Distribution of *Eryx whitakeri*, *Coluber gracilis*, *Lycodon flavomaculatus* in Pune district.

Captive populations of reptiles maintained: *Eryx whitakeri*, saw scaled viper [*Echis carinatus*]. I had kept *Coluber gracilis*, *Lycodon flavomaculatus*, *Boiga beddomei*, *Boiga forstenii*, *Lycodon striatus*, *Callophis melanurus*, *Trimeresurus malabaricus* and many other common snakes found in Maharashtra.

Publications:

1998. Snakes of the Sahyadri – *Journal of ecological society* . Pune.vol.11.

April 99. Aberrant banded racers *Argyrogena fasciolatus* – *JBNHS* vol.96(1).

Any other information:

I have also artificially hatched eggs of lizards and snakes in captivity. I have rescued many snakes from people's house and released in the forest – in their proper habitat. I have also kept records of trade in reptiles in Maharashtra especially in Bombay.

INDIA
Phone: 805301

Research Interest: Conservation, Ecology, Morphometric studies, nesting and habitat studies.

Ph.D. in reptile studies:

Limnological study of river Yamuna from Etawah to Dibhali with special reference to ecology of *Kachuga tentoria*. 1999. C.S.J.M. University Kanpur. Guide- Dr. Narain.

Guiding/guided students in reptile studies: No

Species/group of special Interest: *Kachuga tentoria circumdata*, *K. kachuga*, *K. dhongoka*, *L. punctata*, *A. gangeticus*, *C. indica*.

Projects: No

Captive populations of reptiles maintained: No

Publications:

Narain, S., A. tiwari and S.B. Mishra. 1999. Fresh water turtle of river Yamuna from Bateshwar (Firozabad) to Dibholi (Etawah) Uttar Pradesh. *Zoos' Print*, vol XIV (6): 54-56.
Abstracts: Narain, S., A. tiwari and S.B. Mishra. 1999. Fresh water turtle of river Yamuna from Bateshwar (Firozabad) to Dibholi (Etawah) Uttar Pradesh: Their conservation and management: Proc. National seminar on natural resources, their management and conservation. Pp. 23-24.

Mr. Satyendra Kumar Tiwari

Date of Birth: 02-07-1955 **Sex:** Male **Occupation:**

Correspondence: Skay's Camp, P.O. Tala, Dist. Umariya,
Madhya Pradesh 484 661, INDIA
Phone: 07653 65355 Fax: 07653 22620

Ph.D. in reptile studies: No

Guiding/guided students in reptile studies: No

Projects: None

Captive populations of reptiles maintained: Yes, but I keep them for a very short time. I buy them from local fish market to release them in big rivers like Narmada. Sometimes I manage to get them free of cost, threaten the fishers for bringing them to the market.

Any other information:

Being involved in wildlife tourism I work independently for wildlife conservation, including reptiles.

Mr. Kalaiarasan V.

Date of Birth: 09-06-1963 **Sex:** Male **Occupation:** Director, Chennai Snake Park Trust

Correspondence: Chennai Snake Park Trust, Guindy, Chennai
Tamil Nadu 600 022, INDIA
Phone: 044 2350821

Research Interest: Community ecology of reptiles

Ph.D. in reptile studies:

1999. The community structure of reptiles in scrub jungle forests of Chengalpattu M.G.R. and Madras districts, Tamil Nadu. Bharathidasan University. Research Advisor: Dr. R. Kanakasabai

Guiding/guided students in reptile studies: Guided to post graduates students as a co-guide for their dissertation work

Species/group of special Interest: All group of reptiles

Captive populations of reptiles maintained: Yes

Publications:

Dr. Krishnamurthy Vaidyanathan

Date of Birth: 19-06-1929

Sex: Male

Occupation: Trustee in Chennai Snake Park

Correspondence: Flat 'J' Abirami, 14/2D, Bharathiar 2nd Street Extn., Pazhavanthangal, Chennai, Tamil Nadu 600 114, INDIA
Phone: 2350821

Research Interest: Diseases and management.

Ph.D. in reptile studies: No

Guiding/guided students in reptile studies: No

Species/group of special Interest: Crocodylians and Pythons.

Projects: Nil

Captive populations of reptiles maintained: A trustee in Chennai Snake Park which maintains captive reptiles.

Publications:

Two in "Cobra" a quarterly bulletin published by the Chennai snake Park.

Any other information:

Contribute and subscribe the journal 'Cobra'

Dr. (Mrs). Madhu Vyas

Date of Birth: 13-08-1951

Sex: Female

Occupation:Asst. Professor of zoology

Correspondence: F-4, Professor's Quarters, Indore Ahmedabad Road Dhar,
Madhya Pradesh 454 001, INDIA
Phone: Res: 07292 34730; Off: 07292 22572

Research Interest: Ecobiology, conservation, development and growth, biodiversity, behaviour and snake bite treatment.

Ph.D. in reptile studies:

Yes. " Studies on the commonly available snakes of Malwa region of M.P. including ecobiology and development of checkered keelback water snake *Xenochrophis piscator* (Schneider)". 1999. Vikram university, Ujjain. Guide – Dr. Tej Prakash Vyas.

Guiding/guided students in reptile studies: -

Species/group of special Interest: Natricidae, Elapidae, and Viperidae studies, biology and conservation and other mentioned research interests for the snakes of the above mentioned families.

Projects:

1995. Biology of commonly available Amphibia of Malwa region of M.P. Dhar, Ujjain, Indore, Jhabua and Shajapur districts of Malwa region of MP.

1994. Endocrine glands of *H. tigrinus*. Region of MP.

Captive populations of reptiles maintained: Yes. *Lycodon aulicus*, *Oligodon arnensis*, *Macropisthodon plumbicolor*, *Xenochrophis piscator*, *Elaphe helena*, *Ptyas mucosus*, *Dendrelaphus tristis*.

Publications:

Vyas, M. & T.P. Vyas, 1997a. Biology of Checkered Keelback Water Snake *Xenochrophis piscator* (Schneider). Modern Trends of Research in Zoology. RBSA Publishers. S.M.S. Highway, Jaipur India. PP. 231-247.

Phone: 04114 46332 Fax: 044 4918747, 4910910
Email: sthiru@gjasmd01.vsnl.net.in

Research Interest:

Crocodylian reproductive biology, growth rates and management in captivity, chelonians and lizards.

Ph.D. in reptile studies:

No

Guiding/guided students in reptile studies: Have guided veterinary school students [Chennai], Forest officers colleges and school groups.

00

Species/group of special Interest: Crocodilians [*Tomiztoma schlegellii*], Chelonians [*Heosgmas silvatia* and Lizards [*Varanus salvator*].

Projects:

Growth rates in juvenile *C. siamensis* – ongoing

Salt water crocodile growth rates [adults] –in prep.

Variation in clutch size, egg size and egg weights in three species of fresh water turtles. –

Reproductive biology – in prep.

Tooth replacement in crocodilians – form and function. – ongoing.

Growth rates of false ghavial in captivity and sexual activity in captivity. – Biology – under review.

Captive management of reptiles in India. – Captive husbandry [3 authors] – in prep.

Captive populations of reptiles maintained: *C. palustris*, *C. porosus*, *C. caiman* *crocodilus*, *C. niloticus*, *C. morletii*, *C. siamensis*, *C. missipiensis*, *C. gangeticus*, *T. schlegellii* and *O. tetuaspis*. [all crocodilians].

Publications:

N.Whitaker and Harry V. Andrews. 1998. Madras Crocodile Bank: An update. In: Crocodiles, Proceedings of the 14th working meeting of the Crocodile Specialist Group, IUCN – Singapore 13th – 17th July 1998. Pp 402 – 406.

Any other information:

The Madras Crocodile Bank is now undertaking a survey on the status of the Mugger crocodile in 12 locations in Tamil Nadu.

ARTICLES

Over 130 popular articles in magazines and newspapers.

FILMOGRAPHY.

1. Irulas, Hunter-Gatherers in the Space Age - English 18 minutes, 1985 U-matic video programme for Oxfam Trust India. co-producer and co-director
2. Periyar - 23 minutes, 1986. 16 mm documentary for Sanctuary Films. co-producer and co-director
3. Banking on Crocodiles - 20 minutes, 1986. U-matic video programme on crocodile research and conservation. co-producer and co-director
4. Snakebite! - English and Hindi, 27 minutes, 1986. 16 mm docudrama. co-producer and co-director. Awards: Best Professional Film - 9th Annual International Wildlife Films Festival, Missoula (1986). Gold Medal - British Medical Association (1987). Golden Eagle, USA (1987)
5. A Cooperative for Snake Catchers - English, 20 minutes, 1988. 16 mm documentary on the Irula tribals in Tamil Nadu, India for CAPART, Government of India. co-producer and co-director. Awards: Best Scientific Film - 35th National Film Festival, India (1988)
6. Seeds of Hope - Tamil, English, Hindi and Telugu, 23 minute, 1989. 16 mm documentary on why and how to grow a forest nursery for Swedish International Development Authority. co-producer and co-director. Award: Best Agricultural Film - 36th National Film Festival, India (1989)
7. The Boy and the Crocodile - Tamil,Hindi and English,105 minutes,1989 16mm/35 mm feature film set in a village and forest pond in south India for Children's Film Society of India. Awards: Silver Elephant - 6th International Children's Film Festival (1989). Best Feature Film - the International Centre for Films for Children and Young. People (1989)
8. Silent Valley - English, Malayalam and Tamil, 53 minute, 1991. 16 mm documentary on one of India's last rain forests, saved from a hydel project for Norwegian Agency for Development Cooperation (NORAD). co-producer

9. Rat Wars - English 30 minutes, 1993. 16 mm documentary on rats in India for National Geographic Explorer. co-producer
10. Treasured Islands - English, Hindi, 1994. An educational U-matic video film on island ecology for the Centre for Island Ecology, Andamans. Producer
11. Keralensis - 3 minutes, 1995. An educational 'spot' on rainforest and wildlife. Producer and additional camera man. Awards: Best Spot - 1st International Video Film Festival (1995)
12. King Cobra, English, 53 minutes, 1996. Super 16 mm documentary on the natural history of king cobra, the largest venomous snake in the world for National Geographic Explorer. Co-producer. Award: Best Cinematography (Italian Film Festival) 1997. Emmy for Outstanding News and Documentary Program Achievement. 1998
13. Spunky Monkey - 43 minutes, 1997. Super 16 mm documentary on bonnet macaques that live in a town in south India for National Geographic Explorer. Producer
14. Croc Man - 18 minutes, 1998. A DVC film on the Madras Crocodile Bank produced by National Geographic Explorer Presenter
15. Thunder Dragon - 53 minutes, 1999. Super 16 mm documentary on the natural history of water monitor lizards in Sri Lanka for National Geographic Explorer. Producer

DIRECTORY
of
Reptile Field Researchers
in
South Asia

**List of Organisations keeping reptiles
and/or involved in reptile research in
South Asia**

(as of December 2000)

List of Organisations with South Asian Reptile Research Interest (As of December 2000)

This list includes all known reptile facilities and reptile research interested organisations in South Asia. There are some institutes in South Asia who have either in the past or are presently involved in reptile studies -- be it field work, taxonomy or conservation related work. This list has been compiled from information obtained through networking and from the database on captive facilities available at ZOO. There may be many organisations dealing with reptiles or their study, which may not be included here. Please submit the names and complete address of such organisations.

Aizawl Zoo

Chief Wildlife Warden, Govt. of Mizoram, Wildlife Division, Aizawl, Mizoram 796001, [India](#)

Amirdhi Zoo

District Forest Officer, Vellore Division, Vellore, Tamil Nadu, [India](#)

Amphibian and Reptile Research Organisation of Sri Lanka (ARROS)

Faculty of Medicine, University of Peradeniya, Peradeniya, [Sri Lanka](#)

Amte's Animal Park & Orphanage-cum-Rescue Home

Zoo Superintendent, Aurangabad Zoo, Sidarth Garden, Municipal Corporation, Aurangabad, Maharashtra 431001, [India](#)

Aranya Surakha Samiti

Natunpara, College road, PO Natunpara, District Bongaigaon, Assam 783380, [India](#)

Arignar Anna Zoological Park

Vandalur, Chennai, Tamil Nadu, [India](#)

Assam State Zoo-cum-Botanical Garden

Divisional Forest Officer & Director, Assam State Zoo Division, Guwahati, Assam 781005, [India](#)

Aurangabad Municipal Zoo

Siddarth Garden, Municipal Corporation, Aurangabad, Maharashtra 431001, [India](#)

A.V.C. College

Mannampandal Tamil Nadu 609305, [India](#)

Bahawalpur Zoological Gardens

Bahawalpur, [Pakistan](#)

Bannerghatta Zoological Garden and National Park

Bannerghatta, Bangalore, Karnataka 560083, [India](#)

Bhagwan Birsa Biological Park

P.O. Hinoo P.B. No. 41, Ranchi, Bihar 834002, [India](#)

Bellary Childrens Park-cum-Zoo

Radio Park, Contonment, Bellary, Karnataka 583103, [India](#)

Bombay Natural History Society (BNHS)

Hornbill House, Shaheed Bhagat Singh Marg, Salim Ali Chowk, Mumbai, Maharashtra 400024, [India](#)

Bombay Snake Friends

Laxman Bhai Tarkar, A13, Uday Shree Society, Bhandup (E), Mumbai, Maharashtra 400079, [India](#)

Bondla Zoo

Deputy Conservator of Forests (WL), Government of Goa, Forest Department, Wildlife and Parks Division, Panaji, Goa, [India](#)

Calcutta Snake Park, Zoological Garden

Conservation and Laboratory, 31, Hindustan Park, Kolkata, West Bengal 700029, [India](#)

Central Zoo

King Mahendra Trust for Nature, Jawalakhel, PB No.3712, Kathmandu, [Nepal](#)

Chacha Nehru Island

Deputy Director of Soil Conservation (Forestry), West, Soil Conservation Department, Damodar Valley Corporation, Hazaribag, Bihar 825301, [India](#)

Chennai Snake Park Trust (CSPT)

Raj Bhavan Post, Chennai, Tamil Nadu 600022, [India](#)

Children's Corner

Wildlife Warden, Guindy Childrens' Park, Chennai, Tamil Nadu 600022, [India](#)

Childrens Deer & Snake Park at Kadri Hill

Deputy Conservator of forests, Mangalore Division, Mangalore, Karnataka, [India](#)

Childrens Mini Zoo

Deputy Conservator of Forests, Dharwad Division, Dharwad, Karnataka, [India](#)

Children's Park Mini Zoo

Deputy Conservator of Forests, Wildlife Division, Shimoga, Karnataka 577201, [India](#)

Children's Park Sirsi Division

Deputy Conservator of Forests, Sirsi Division, Sirsi, Uttara Kannada District, Karnataka 581401, [India](#)

Chittagong Zoo

City Corporation, Chittagong, [Bangladesh](#)

Coimbatore Zoological Park and Conservation Centre (CZPCC)

Pioneer House, Avanashi Road, Peelamedu, Coimbatore, Tamil Nadu 641004, [India](#)

Crocodile Farm

Divisional Forest Officer, Kozhikode Division, Kozhikode, Kerala, [India](#)

Dayalbagh Educational Institute,

Dayalbagh, Agra, Uttar Pradesh 282 005, [India](#)

Deepak Mitra's Snake House, Hindustan Park

A touring Reptile Zoo, 31, Hindustan Park, Kolkata, West Bengal 700029, [India](#)
