

# Conservation - Conscious Conservation - Careless? <sup>or</sup>

- Packet consists of a
- Cover
  - Cards
  - Mask
  - Sticker
  - Placard
  - Foldout

The zoos are to be committed to wildlife conservation in word and action. All the zoos in the country should be conservation conscious instead of conservation careless. This packet has materials that talk about the purpose of zoos, meaning of conservation conscious and conservation careless, ways to improve our observation skills by doing a inspection at the zoo, tips to render our help to the zoos as a volunteer, pros and cons of becoming a zoo volunteer, tips on how to be good volunteer etc.
