The REAL Purpose of Zoos

Things about the Zoo that you never knew

Why do we have zoos? Open this packet & see

The real purpose of zoos... Why do we have zoos? Zoo visitors and common public may think that zoos are for entertainment, that was true long ago. Zoo also have a serious purpose, that is wildlife conservation that has become a serious discipline of science. Education, research and breeding are the most important actions of zoos. In order for the zoo to achieve these goals, the visitors need to take care to be always respectful of the animals. Learn more about the real purpose of zoos using this packet.
